## COMMODORES SCUTTLE SSC 32-13 IN ROCKS' SECOND WIN TRY

By TEDDY STECHMANN JR.

Although heavily outweighted,  
the St. Stanislaus Rockchaws  
showed great form in their sec-  
ond game, which they lost to the  
Gulfport Commodores Friday  
night at Gulfport.

The offensive spark of the Gulf-  
port team were Victor Wimple  
and Harold Hill, while Billy  
Rhodes and Kenny Artigues spark-  
ed the Rockchaws.

First touchdown of the game  
was scored in the first quarter by  
Gulfport on a 25 yard pass play  
to Harold Hill. The extra point  
was good and it put the Commo-  
dore out front by a score of 7-0.

Stanislaus came right back with  
a 36 yard run by Billy Rhodes,  
which set the score at 7-6.

In the second quarter, Hill  
scored again on a dazzling 80 yard  
pass play, which put the score  
at 13-6. The score remained the  
same until the last quarter when  
Victor Wimple carried the ball  
over from the 1 yard stripe for  
the third Gulfport tally.

Stanislaus spirits were once  
again raised when Billy Rhodes  
scored on a sensational kickoff  
scamper. This placed the score  
at 26-13.

Gulfport scored once more in  
the last quarter. It was a 10  
yard run by Kenny Rick. The kick  
was no good, and at the gun the  
scoreboard read Gulfport 32, Stan-  
islaus 13.

Even though Stanislaus lost  
their first two games, coach Far-  
ley Day has great hopes for his  
aggressive little team and its  
two veteran backs, Kenny Artigues  
and Billy Rhodes.

Tomorrow night St. Stanislaus  
will play Vigor here.

## PUBLIC IS MORE PLANTING MINDED

Each year our country becomes  
more planting minded, as the  
values of trees and shrubs are  
more widely recognized, says the  
American Association of Nursery-  
men.

Since the war home planting has  
increased about 10 per cent an-  
nually. In the same period, fac-  
tory landscaping has made an  
overall increase of approximately  
300 per cent.

Added to these totals recently  
is a large volume of community  
and highway landscaping. Annual  
planting of trees and shrubs is  
reported to the tune of over  
\$800,000,000, an all-time high. It  
all sums up to a more beautiful  
and valuable America. Moreover,  
the annual plantings are accumu-  
lative as they grow for many  
years.

Real estate interests now con-  
sider landscaping an important  
factor in the sale of homes since  
homes sell faster and mortgage  
values are higher when the home  
property is attractively landscaped.  
Unprecedented home building  
and the trend toward suburban  
living has been a major factor  
in the increase.

Emmett Kergosien of Bogaloussa,

sister, Miss Clara Kergosien.

## SHOWER FOR BRIDE-ELECT

Miss Joyce Lee Lang, daughter  
of Mr. and Mrs. Henry Lang was  
honored Tuesday evening when she  
was feted at a miscellaneous show-  
er given at the Youth Center.

Fall decor was used, and most  
original ideas were carried out  
by the seven hostesses. Fall  
leaves adorned the building and  
a centerpiece was used on the  
table of the leaves in an exqui-  
site arrangement.

The hostesses were garbed in  
farmerette outfits of blue jeans,  
plaid gingham shirts and straw  
hats. The many lovely gifts were  
wheeled in in a hay filled wheel-  
barrow.

Following the opening of the  
first gifts, a filled sack was wheel-  
ed to the honoree. She was told  
that it contained individually  
wrapped onions and that she  
should open each onion. The  
sack contained over 100 small  
items for kitchen use, an addi-  
tional set of gifts from the host-  
esses.

Hostesses were Mrs. Joseph  
Favre, her aunt, Mrs. Jack Cas-  
sidy, Mrs. Sheldon Seuzeneau,  
Mrs. Mary Monti, Mrs. Leo Koer-  
ner, Miss Marcia Artigues and Miss  
Honoria Dambrosio.

Miss Lang and her mother were  
each presented a corsage of fall  
blooms. Miss Lang chose for the  
occasion a green figured silk  
trousseau frock.

The wedding of Miss Lang to  
A2c Louis Cochrane, USAF, will  
be celebrated Oct. 11.

Animals Week is upon us. The dog went to Alaska with the nation and is the Dyer when the Captain was by all pet owners transferred and how there was the week not off to another child in the family, two when Bullet, the pup, year old Mark.

One child morning during their Alaskan stay, Mrs. Dyer heard the persistent barking of a dog running to the door, she froze with terror. Young Mark was playing in the road and a GI truck was roaring down upon him. The mother ran to save her son, but already her son was in dire danger. Just as the truck reached her son, Tang dashed toward the little boy, knocked him clear and saved his life.

The story of the dog's heroism spread and mothers at the base felt secure when their little ones were at play as long as Tang was close by.

During the next few years Tang saved the lives of three other children and his fame hurried across the nation. He was nominated for the Southwest Award for the Most Heroic Dog of the Year. He won and was later chosen National Dog Hero of Heroes.

Tang was flown to Chicago for a banquet in his honor and appeared on television in Dallas and in Chicago. He received a gold plaque and a gold plated collar and leash. The Dyer children received a \$1000 defense bond to help them through college.

So the dog that nobody wanted turned out to be a hero, and his fame will live forever in the annals of dogdom.

We heard a dog story this week which is heart warming and interesting although the dog in our story has woven an aura of mystery about herself which probably will never be completely solved.

This story took place in Rigolet, and was reported to us by friends who saw it happen and who are following with keen interest the most recent developments.

About two months ago a large bound wandered into the camp at Rigolet. She was frightened, unfriendly, gaunt, hungry, and obviously lost. The dog lovers at Rigolet put out food for her, and after much coaxing, Mr. and Mrs. "Dutch" Changard succeeded in getting the dog indoors.

Time and kindness began to work their wonders and the animal seemed a little more contented. The Changards have young sons, and boys and a dog are always a happy combination.

Just the other day Mr. Changard removed the collar which was around the dog's neck and discovered the name of the owner and to his astonishment found that he lived in Missouri. A letter was immediately dispatched to the owner and a reply came almost by return mail.

The dog's name is "Dot" and she had been missing since February. Dot, an another dog, named "Junior," had both disappeared during a fox hunt. Neither of them had been seen or heard from since. The owner further stated that Dot is a registered pedigree Katter Fox Hound and she is a descendant of the sixth generation of fine dogs.

Ladies of the Waveland Methodist Church will sponsor a rummage sale in the near future. A nice assortment of wearing apparel will be on sale. Watch this column for the date.

Mr. and Mrs. George Digby and daughters have returned to their Waveland home after an extended vacation.

While in Fort Pierre, Florida, the Digbys enjoyed a deep sea fishing trip. Mr. Digby landed a beautiful Bonita which weighed over 20 pounds and measured 37 inches in length. He has had it mounted and it now hangs in his living room where it looks very much alive.

The fishing trip was shared by several other "baseball scouts" and their wives. The trip was made aboard the privately owned boat, "Melody," about 18 miles out in the Gulf.

Misses Connie Rippe and Barbara Ann Villere, students at Bay High School, were among the five girls chosen by students and faculty judges at Bay High School Tuesday to try out in the finals for the coveted Forestry Queen of Hancock County.

The girls were chosen on the basis of personality, speech and beauty.

Pretty little Brenda Hartsfield, daughter of the Rev. and Mrs. W. A. Hartsfield, was taken to Gulfport Hospital this week for observation. The youngster is reported much better at this time.

Usually in years past when the stop light at the corner of Beach Boulevard and Coleman Ave. is taken down and put in moth balls for the winter, it has been a sign that cool weather has arrived. But the light is down and we are still experiencing hot weather. Guess we'll have to look for other signs to bring us those chilly days most of us wish would hurry and get here.

Miss Mary Perkins, principal of the Waveland School, has been away from the school this week due to illness. Mrs. Norvin Penrose is taking her place. Everyone wishes Miss Perkins a speedy recovery.

Congratulations to Mr. and Mrs. Brewster Mollere on the birth of their third son, born yesterday morning at King's Daughters Hospital in Bay St. Louis.

Mrs. Mollere is the former Jane Wolfe of Bay St. Louis.

on Tuesday of last week, leaving Mrs. Travis Boneman, Mrs. Barber and Mrs. A. Mathis were hostesses, but due to illness Mrs. Mathis could not be present.

There were many beautiful gifts brought in to the honored by Johann Cline-Smith who pushed them into the reception room in a doll buggy.

Delicious refreshments, punch, cup cakes and minis were served. Guests present were Mesdames Marie Cline-Smith, Roger Bordag, Es, F. Henchy, C. Lander, P. Henchy, H. Mazarakis, R. Noonan, H. Zimmerman, C. Bernhardt, J. Pen alver, F. Pagett, R. Neelase, Fred Bourgeois, Adrian Rogers, S. B. Olson, J. Duly, Alton Barber and Travis Boneman.

Also present were Misses Potay Bozeman, Dolores Bernard and Johann Cline-Smith.

"Manny" Hubbard is in the Baptist Hospital in New Orleans where he is recuperating from surgery. He will be home in about two weeks. His many friends wish him a speedy recovery.

Work began this week on the new addition to the store owned and operated by Mr. and Mrs. Hamilton Guenard Jr. The addition will enlarge the present laundrette and facilitate a more efficient working environment for this growing business.
